

Floors for Living

The “Flooring Experts” so you don’t have to be.

Lifetime Residential Installation Warranty

Installation is guaranteed to be professional and up to top industry standards. Should the original purchaser require service to correct improper installation (which has not been necessitated by improper cleaning or abuse or as a result of movement or settling of the installed structure) at any time during the life of the floorcovering, Floors For Living will provide the service at no additional charge. If additional product, that was originally purchased from Floors for Living, is needed to complete the repair Floors for Living will provide it. This warranty applies only to owner occupied residential installations and does not include outdoor installations.

Installation warranties are non-transferable. If floorcovering is purchased for the sake of reselling the property, and the home changed ownership within 6 months, the new homeowner will receive all benefits of the original installation warranty.

Five-Year Commercial Installation Warranty

Installation is guaranteed to be professional and up to top industry standards. Should the original purchaser require service to correct improper installation (which has not been necessitated by improper cleaning or abuse or as a result of movement or settling of the installed structure) at any time during the first five years of the floorcovering, Floors for Living will provide the service at no additional charge. If additional product, that was originally purchased from Floors for Living, is needed to complete the repair Floors for Living will provide it. This warranty applies only to owner occupied residential installations and does not include outdoor installations.

Installation warranties are non-transferable. If floorcovering is purchased for the sake of reselling the property, and the business changed ownership within 6 months, the new business owner will receive all benefits of the original installation warranty.
